FOREWORD

Dhemaji College, a leading higher education institution affiliated to Dibrugarh University, had a humble beginning as an institution of lighting the lamp in the field of higher education in Dhemaji district in 1965.

The college was the fruition of a long cherished dream of the people of Dhemaji district who under the inspiring leadership of the leading citizens of the district had to resort to a popular step aiming the establishment of the college in this northern part of the state. This step was ultimately crowned with success when the college was formally established on August 1, 1965. It was in gratitude to those dedicated people of Dhemaji district that the college named as Dhemaji College. The establishment of Dhemaji College was a bold and positive step towards the spread of higher education in this northern part of Assam.

Dhemaji College is the oldest and premier institution of higher learning in the district of Dhemaji. At present it imparts education from higher secondary to degree level in Arts and Science streams along with different parallel, career-oriented, vocational, skill-enhancement and add-on courses with an experience and efficient teaching staff. From 2025-2026 session, the college is offering 4-Year Integrated Teacher Education Program (B.A. B.Ed.). Dhemaji College has, in 60 years of its existence, carved a niche for itself in the educational firmament of Dhemaji district, nay the entire north bank of Assam.

The college also offers programmes like Post-Graduate Diploma in Computer Application (PGDCA), courses of NIELIT, Infosys- Springboard, SYAMAM-NPTEL, Bio-fertilizer: Vermicompost Technology, Mushroom Culture, apart from add-on courses offered by different departments. The college offers Dibrugarh University approved supervisor to guide Ph.D. Programme in Electronics along with Ph. D. Research Laboratory in Electronics approved by Dibrugarh University.

The college possesses separate Administrative building, class rooms for different classes, departmental block for different departments, library building, conference halls, common rooms for boys and girls, Indoor Sports Hall, Language Laboratory, Computer Laboratory with well-equipped infrastructure facilities. Moreover the institution has a large campus with spacious play ground, canteen facilities, and drinking water facilities with an ideal academic environment. The College provides ample opportunities to the students for performance and development of their talents in the field of educational, cultural, literary, games and sports and other co-curricular activities.

The Children Education and Career Development Centre (CECDC), Dhemaji College is one of the valuable assets not only for Dhemaji College, but also for the entire District, offering multi-activity facility for the students to develop their talents and performances. The college provides adequate facilities for research and extension activities. The college has completed several Major and Minor Research Projects undertaken by the faculty members under the sponsorship of UGC, DST, etc. The extension activities of the college are further extended through Equal Opportunity Cell, Women Cell, NCC, NSS, Eco-Club, Unnat Bharat Abhiyan Mission, IIC, etc.

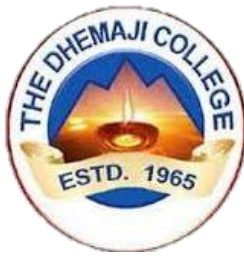

The College possesses two Automatic Weather Information Centres under the sponsorship of Assam Science, Technology and Environmental Council (ASTEC), Govt. of Assam.

A beautiful Botanical Garden, Green House, Orchid House, Seed Bank (GeneSys DC), Mushroom Hub, Vermi-Compost unit, etc. are some of the assets and attractions of the institution.

The college has been conferred as College of Centre with Potential for Excellence (CPE - I) status by the UGC in 2010. Dhemaji College celebrated the Concluding Ceremony of glorious Golden Jubilee in the Year 2016-2017.

The college was first Accredited by NAAC in 2004. Dhemaji College was Re-accredited by NAAC in 2012. and graded B++ in 2023 in the 3rd Cycle Assessment and Accreditation. The college has been participating in the NIRF ranking since 2020-2021.

In accordance with the guidelines of the Govt. of Assam, and curriculum structure of Dibrugarh University, Dhemaji College has been initiating initiatives to implement the Four-Year Undergraduate program, along with other provisions, in the spirit of NEP (2020) since the academic session 2023-24.

From the Principal's desk:

Dear Students/Parents/Guardians/Well-wishers and all the Stake holders,

My hearty welcome to you all to the Dhemaaji College.

Over the years, Dhemaaji college has grown into an institution of significant stature in the educational scene not only in the north bank of Assam, but also in the entire educational field as a whole. During the glorious journey from 1st August 1965, the college has been entrusting for attaining its visionary goals through its activities along with its missionary approach to realize its goals as per Institutional Development Plan of the college.

Dhemaaji College believes on Value education and connects with a wide range of learning modules as well as exercises covering all the dimensions with a dynamic mode towards ensuring the qualities of good personality and ideal citizenship of the learners. The faculties of the college act as a source of information, guide, mentor, surrogate parent, and motivator for the learners around their academic life. The college ensures a stakeholder relationship with parents, teachers, students and community towards ensuring value education, quality assurance and enhancement as well as dissemination in teaching-learning activities and thus to contribute in nation-building process. At this transition period of Higher Education in parts and overall education system in general across the country under the umbrella of NEP-2020, I have the pleasure to let you know that the Dhemaaji College is now offering several courses of the National Institute of Electronics and Information Technology since 2024-25 session; and Integrated Teacher Education Programme (B.A. B.Ed.) from 2025-26 session, as a part of its institutional academic exercise. In addition, the college is facilitating different courses of Infosys Springboard, SWAYAM-NPTEL, and Spoken Tutorial under IIT (Bombay). We are also offering training and academic courses on Mushroom Cultivation and Gardening, Vermicompost Technology and manufacturing of LED bulbs for skill enhancement and employment generation. With funding from the Govt. of Assam and other organizations, the college organizes Seminars and academic programmes from time to time.

Access equity and quality assurance with a sustainable progressing in the fields of academic and co-curricular is one of the prime mottos of the college. Moreover, the activity of the college are based on the pillars of socio-economic development, scientific temperament and development, social justice, cultural preservation, skilled human resource development as well as overall development of the society. The college trust on multi-disciplinary and inter-disciplinary approach in its academic exercises along with dissemination of its experiences to the society with an aim to fulfill the dreams of the formation of knowledge society.

Dear students,

During your stay at Dhemaaji College, you will get ample opportunities to develop your inner talents in multi-dimensional wings and as such it is your duty to grab those opportunities of the college. Moreover, you are the junction of the transition period under the umbrella of National Education Policy (NEP) 2020 which provides you vast opportunities to use educational provisions and resources towards ensuring and enhancing the qualities of global citizenship within you.

"www.dhemajicollege.in" is a dedicated website for all information disseminating to the stakeholders and well-wishers of the college.

I am always proud of our Alumni on the achievements in their public as well as professional lives.

I believe that in coming days the students spend at Dhemaaji College will be most productive, informative, experiencing and interesting phase of his/her life.

Dr. Dipak Kr. Neog,
Principal, Dhemaaji College
