E) DESCRIPTION ABOUT THE PROGRAM

The day-long event on “Importance of Chemical Education and Its Exploration from Student’s Perspective” was divided into two sessions. The morning session consisted of Popular Talks whereas the post lunch session was the workshop/hands on activity session. Dr Prodeep Phukan, Professor, Department of Chemistry & Director, College Development Council, Gauhati University and Dr Diganta Sarma, Professor, Department of Chemistry, Dibrugarh University took part in the event as resource persons. Dr Sanjib Kumar Phukon, ACS, Additional District Commissioner (Education), Office of the District Commissioner, Dhemaji graced the occasion as the guest of honor. The participants comprised of students of Class IX and their teacher-in-charge from 13 schools of Dhemaji district.

The event began with the lightning of the lamp by honorable Dr Sanjib Kumar Phukon, ADC, Education followed by the felicitation of honorable Principal Dr Dipak. Kr. Neog sir, honorable ADC Education Dr Sanjib Kumar Phukon and honorable resource persons Dr Prodeep Phukan sir and Dr Diganta Sarma sir.

This was followed by an address to all the dignitaries and the student participants by the Chairman, Mr. Dwipen Kakoti sir, HoD, Chemistry and Vice Principal, Dhemaji College. He highlighted the purpose of the initiative taken to organize the event for the benefit of student fraternity. This was followed by the welcome address by the honorable Principal, Dr Dipak Kr. Neog in which he offered a heartfelt welcome to all the participants. He also emphasized the importance of chemistry in shaping our lives and the role of young generation in leading the field of science and technology. He also thanked the honorable Resource Persons for giving their valuable time to the participants of the workshop despite their busy schedule.

The inaugural speech was delivered by honorable ADC, Education, Dr Sanjib Kumar Phukon sir. He praised the organizers for taking a lead to organize the event for the benefits of students. He also discussed about the importance of chemical education for a sustainable future.

This was followed by a brief introduction of the honorable Resource Person Dr. Prodeep Phukan sir. Dr Prodeep Phukan delivered his talk on Chemistry, The Central Science: Impacts and Interrelations. He discussed about the history of chemistry besides introducing the students to the importance of chemistry in our daily life and how it forms the basis of reactions occurring in human body, medicinal chemistry etc. An open discussion session between the student participants and resource person followed. The next talk was delivered by honorable Resource Person Dr Diganta Sarma sir. Through his talk he introduced the students about the importance of chemical education besides introducing them to the various scholarships, fellowships and career prospects of chemistry. He also emphasized on the importance of getting out of the comfort zone in student life and rise above the fears of mind.

The vote of thanks was delivered by Convenor of the event Dr Neha Rani Kumar. On behalf of the organizing committee she expressed a heartfelt gratitude to the honorable resource persons, honorable ADC Education, honorable Principal, IQAC Dhemaji College, and all the participants. This was followed by a group photograph of the event and lunch break.

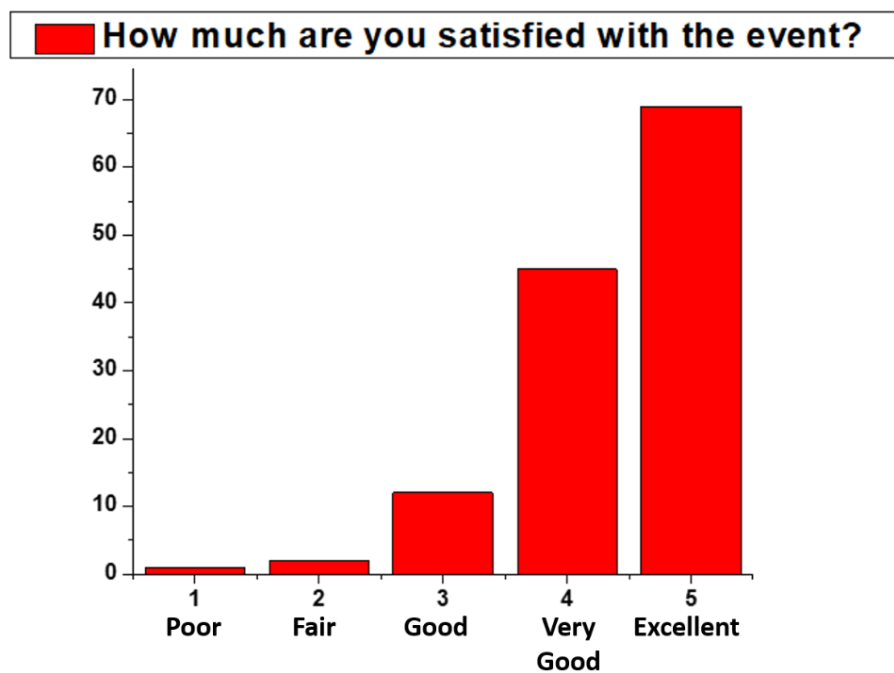

The workshop/hands on activity session were conducted in the Open Stage of Dhemaji College. Seven desks were arranged for the hands on activity session and each desk was monitored by student volunteers from B.Sc. 3rd Semester and B.Sc. 5th Semester, Department of Chemistry, Dhemaji College. During the hands on activity session, participants were introduced to the nature of packing forces in different types of matter, Tyndall effect, reactivity differences of metals/elements, production of O₂, H₂ and CO₂ gas etc. The participants were also introduced to the blue bottle experiment.

The views of the student participants were collected at the end of the event in the feedback form. Overall a positive and highly encouraging feedback was received from the participants. On receiving the feedback forms, certificate of participation was issued to all the student participants.

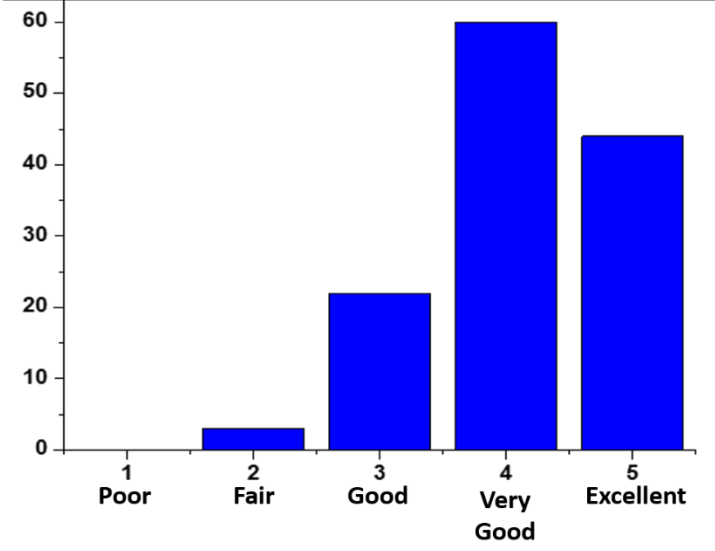

.....

F) FEEDBACK

Feedbacks were collected from the student's participants. The graphical representation of the feedback are as follows.

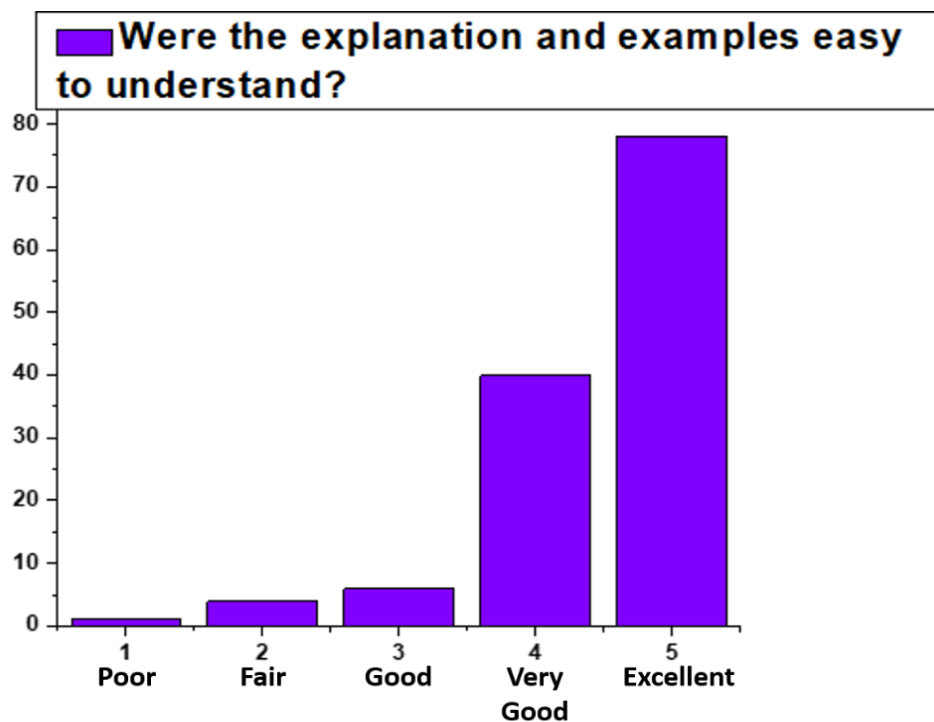

Did the program help you understand chemistry better?

How much are you satisfied with the organizer?

G) FUTURE PERSPECTIVES

The event was highly successful in motivating the young aspiring minds towards chemical education and enlightening them with the future prospects of chemistry. The Department of Chemistry, Dhemaji College looks forward to organize more such events in future for school students, UG and PG students and researchers to increase the knowledge in chemistry for an innovative and enlightening future.
