

AWARENESS PROGRAMME ON CYBER SECURITY
DEPARTMENT OF HIGHER EDUCATION AND GRATIA TECHNOLOGY,
ASSAM

DATE; 28TH MAY, 2022

Cyber crimes are become one of the potent emerging threat to modern society. Due to the lack of proper knowledge on cyber technology, many people are victimized in different ways and lost their money and privacy. To aware the students about cyber security, an awareness programme on cyber security was held in Dhemaji College organized by Department of Higher education, Assam in association with

Career guidance Cell of Dhemaji College.

Mr. Biju Pegu, CEO, Gratia Technology, Assam grace the programme as resource person. The faculty members, staffs and students of Dhemaji College attended the programme. In this hands-on programme, Mr. Pegu who is also a Software engineer demonstrated how electronic gadgets like mobile phones, Laptops and also personal emails and social media accounts can be hacked. He elaborates and point out the security measures to prevent this type of cyber crimes. The programme was chaired by Dr. Annajyoti Gogoi, Vice Principal of Dhemaji College. Dr. Purbajyoti Saikia, Coordinator, career Guidance Cell, Dhemaji College act as a moderator of the programme.
