Dhemaji College

1. Preamble:

A OUTREACH PROGRAMME At BISHNUPUR TEKJURI HIGH SCHOOL was *Organized by* Department of Chemistry, Dhemaji College on 26th August, 2022 as an initiative to demonstrate laboratory experiment on chemistry included in the science textbook of Class X.

2. Participant's Profile:

A total of 109 students were participated in the outreach programe. The participants were students of Class X from **BISHNUPUR TEKJURI HIGH SCHOOL**.

3. Organizer Profile:

1. Prof. Dwipen Kakoti
Head, Department of Chemistry
Dhemaji College, Dhemaji
2. Dr Manash Protim Borpuzari
Assistant Professor
Department of Chemistry
Dhemaji College, Dhemaji
3. Mr. Koushik Sarma
5th Semester Student
Department of Chemistry
Dhemaji College, Dhemaji
4. Miss Himashri Chutia
5th Semester Student
Department of Chemistry
Dhemaji College, Dhemaji
5. Mr. Linton Gogoi
5th Semester Student
Department of Chemistry
Dhemaji College, Dhemaji
6. Miss Chayanika Chamuah
5th Semester Student
Department of Chemistry
Dhemaji College, Dhemaji

7. Mr Biplab Tamuly
Ex Student
Department of Chemistry
Dhemaji College, Dhemaji

4. Description about the Program:

The outreach programme was anchored by Mr Dwipen Tamuly, Assistant Teacher, Bishnupur Tekjuri High School and was began by felicitation of Prof Dwipen Kakoti and Dr Manash Protim Borpuzari and introduction of the four 5th Semester students from Department of Chemistry, Dhemaji College. This was followed by a welcome address by the Mr Kushal Borual, Assistant Teacher, Bishnupur Tekjuri High School and inaugural speech by Prof Dwipen Kakoti, Head, Department of Chemistry, Dhemaji College in which Prof Dwipen Kakoti emphasized on the purpose of the outreach programme to demonstrate the practicals to students.

This was followed by a brief demonstration of three chemistry experiments mainly Elephant's toothpaste, Vanishing colour and changing colour by Dr Manash Protim Borpuzari and the 5th semester students of Department of Chemistry, Dhemaji College. Then, they demonstrate some activities from the textbook of Class X. After their demonstration, Prof Dwipen Kakoti expressed gratitude to the Headmistress Mamoni Boruah to provide the opportunities and promised the students of the school to conduct more outreach programme in the near future. Mr Dwipen Tamuly, Assistant Teacher, Bishnupur Tekjuri High School offer the vote of thanks.

5. Future Perspectives:

The Department of Chemistry, Dhemaji College looking forward to organize such outreach programme in different school in order to increase the knowledge in chemistry among the students at the school level.

Dr Manash Protim Borpuzari
Convenor
