

Report on Placing Name Boards for Plants of Dhemaji College Campus

The department of Botany of Dhemaji College has identified all the plants on the college campus and placed boards to display their local name, scientific name and their family. The identification and recognition of the plant was a month-long process and was done by the faculty of botany department, Dhemaji College. The names of the plants were displayed on board made with tin and was written by the students of Botany department, Dhemaji College under the supervision of Dr. Annajyoti Gogoi, Madhu Shastry, Shyamanta Pegu and Dr. Bhaskar Sarma. All the faculty members of botany department were also involved in placing the board.
