### Educational Excursion to Tezu, Arunachal Pradesh

Excursions are arranged to give exposure to students. Field education is equally important as classroom teaching. It adds vigor in learning processes and relieves monotones of indoor education. Field study is an essential part of botany as plants are best studied in their natural habitat. These tours also help to build good repo amongst students and teachers. As a part of B.Sc. Curriculum, one day trip to Tezu, Arunachal Pradesh was organized by Department of Botany, Dhemaji College on 2<sup>nd</sup> January, 2022. The major objective was to familiarize the students with the wild and cultivated flora and ecology of the region. The tour comprised students of B.Sc. 2<sup>nd</sup>, 4<sup>th</sup> and 6<sup>th</sup> semester accompanied by faculty members, Mr. Madhu Shastry and Mr. Luhit Bhuyan. All the students were directed to gather at College at 5 AM. Principal of the college Dr. Depak Kr. Neog wished all the students best and safe journey. We started our journey at 7 AM by bus and reached at 12: 50 PM at the location. We visited Golden Paguda, Botanical garden of Department of Environment and Forest. Students collected and studied plants for herbarium preparation under the guidance of Mr. Madhu Shastry. The trip successfully inculcated in students the practicality of different theoretical concepts of Botany.
